

3.4.7 E-content is developed by teachers : (10)									
4.3.5 Institution has the following Facilities for e-content development (5) 1. Media centre 2. Audio visual centre, 3. Lecture Capturing System(LCS) 4. Mixing equipments and softwares for editing									
Sl. No.	Name of the teacher	Name of the module developed	Platform on which module is developed	Date of launching e-			Link to the relevant document and facility available in the institution	List of the e-content development facility available	Provide link to videos of the media centre and recording facility
				Day	Month	Year
